We will also have roving entertainers to perform in a socially-distanced manner. This may include poets and speakers, stilt-walkers, and mascots - more details to come soon! We are looking to include local partners and businesses to sponsor the cost of entertainers or provide corporate entertainment. We are seeking entertainment from within Bannerman to display the many talents our community has to offer. We will have the entertainers move to a new food station every 20 minutes so that all our neighbours can enjoy their presence without having to go very far from their own backyard.
