Bannerman in Action

a day for doin' good in the hood

On **May 23, 2020**, Bannerman neighbours will celebrate what it means to be a part of a community that cares for our **second annual Bannerman in Action**.

Visit our website at bannermanleague.weebly.com to participate. In response to the risk of Covid-19, we are re-strategizing our approach this year and will be celebrating ways in which the community has contributed to lifting each other up over the months leading up to May 23, 2020.

This year, we are introducing a “sustainable neighbourhood” project. Volunteers will build vegetable garden boxes that can be delivered to people living in Bannerman to put on their balconies, front deck or front yards. The garden box, earth and plants will be provided free of charge. **If you are interested in receiving a garden box to symbolize the amount of growth and sustainability in our neighbourhood, sign up today!**

Another way to help show the resiliency of our community is to contribute to our **Tile Mural Project**. Each household in Bannerman will be receiving one tile in their mailbox to decorate in any creative manner they wish. The theme of your design will be **Hope and Resiliency** and demonstrate how you care about the neighbourhood you live in, or how others have cared for you. All tiles will be delivered according to health standards by **May 23, 2020 at Bannerman Community Hall (14034-23 St) from 9am-12pm** and configured into a **Mural of Hope** that will show how connected all of us in Bannerman are. You can look forward to seeing your contribution to the design at future events!

If you require more information, please email us at bannermanleague@gmail.com or leave a message at 780-271-0737.
