### EdmontonEats presents the Holiday Gift Cultural Food Box Event

EdmontonEats is a social enterprise that provides opportunities to create cultural awareness, connections, taste amazing food from around the world and share economic prosperity. This social enterprise started right here in Bannerman Community. The next event has four Cultural Hosts who live in our neighbor from Libya, Bangladesh and Syria who will be sharing their culinary delights. The Holiday Gift Boxes will be prepared by the Cultural Hosts with Chef Cindy Lazaenko from Culina Restaurants and Catering. Plus, NAIT's Culinary Arts Program Students will be providing a collection of freshly baked cookies based on their cultural backgrounds as part of the event. The Holiday Gift Cultural Food Boxes will go on sale mid-November and the freshly baked cookies will be prepared during the week of December 8-10 and are available by pre-order.

Along with the delight of the person receiving these cultural culinary treats, by purchasing one of these gift food boxes, you will generate revenue for our Cultural Hosts who are creating their new life in Edmonton, right here in Bannerman.

Watch our website ([edmontoneatsyeg.com](http://edmontoneatsyeg.com)) for Information on the Holiday Gift Cultural Food Box Event, the cultural hosts and the content of the gift boxes. ## Bannerman Connects

The Bannerman Community League has a vision of creating an inclusive, caring, innovative and connected community for everyone who lives here. One of the things COVID-19 has done has raised awareness of the fact there are a number of families and individuals in our Community who have food security issues and some pretty basic living needs such as diapers, baby formula, school supplies, car seats and beds.

**Bannerman Connects** is a project that has been developed between the Bannerman Community League and Bethel Church for our neighbours. Those needing assistance have been identified by the school and by neighbours. Focus for the past several months has been on food security and co-ordination of food supports as well as provision of daily living items...car seats...beds....couches....we have used Kijiji to locate items and made call outs through communication channels of Bethel and Bannerman Community League. Bethel has provided school bag packs and diapers through a church drive and Bannerman Connects has filled in some of the holes for these items.

If you want to get involved Action Needed by Community League:

- Get your name on the e-mail list we use to let community members know what kinds of needs an individual has identified e.g. car seat, crib. Perhaps some of your used items will be treasurers for your neighbours.
- If you want to be on the Bannerman Connects Committee, we need one more person. They meet by ZOOM Wednesday evening every 2 to 3 weeks.
- You can send an e-mail to [bannermanleague@gmail.com](mailto:bannermanleague@gmail.com) to have your name put on the e-mail list for Bannerman Connects or to get further information about the project.
